Secure Your Children's Future with Effective College Planning Strategies

Preparing for your children's education raises a lot of questions. Who is guiding your decisions?

With the increasing cost of a university education and new alternatives and strategies that are proven to be effective in helping mitigate the expense, it is crucial to be informed on all of your options.

The Wealth Strategists at CORE Financial have the key insights into helping parents plan for their child or children's ongoing education and development after they have graduated from high school.

We Can Educate You on the Right Approach to Securing Your Children's Education

Our team is focused on providing education, which is why our approach to college planning always starts with sitting our clients down and providing answers to key questions, such as:

- What are other available funding opportunities?
- Are my current plans or intentions going to impact the ability to qualify for financial aid?
- How will paying for college affect my retirement?
- Is college the right path for my kid(s)?
